Sub: Donations solicited for the upliftment / improvement of ST. IGNATIUS OF LOYOLA HIGH SCHOOL.

Respected Sir/s / Madam/s,

With due respects & with reference to the caption above, this is to place on record that as you are acquainted with the fact that ST. IGNATIUS OF LOYOLA SCHOOL has been established since 1940.

The Trust was formed in year 2000 with the valuable knowledge and permission of Rev. Fr. Joe D'Abreo, Parish Priest of St. Anne's Church, with the sole aim and objective to impart academic as well as technological education to the economically backward classed of the society, mainly comprising of children of Commercial Sex Workers (CSWs) and simultaneously taking into cognizance of the undisputed fact that many Schools / Educational Institutions have been charging heavy donations and exorbitant school fees, which are, without an iota of doubt and due to financial constraints, are beyond the reach of the Economically backward Classes (EBCs), residing in and around the vicinity of Mumbai Central / Kamathipura.

It has been observed, from time to time, that among the EBCs and CSWs, there are many children who possess the aptitude to grasp Academics & Technological aspects of studies and are eager to pursue their studies, primary on a Lower Level and thereafter advancing to Higher Levels, in today's competitive age.

Furthermore, our school has also kept in mind the students who belong to the "Below the Poverty Line" (BTPL)" Classes of the Society, where the Parents of these Students are unable to afford to pay the Fees to our School. Instinctively, this prompted us to offer the facilities of "FREE EDUCATION" to the Students belonging to the BTPL. Our efforts have borne fruits which have been duly appreciated by the Residents of Mumbai Central and the CSWs residing in Kamathipura area.

LOYOLA SCHOOL (which was what it was named, since 1940) now rechristened ST. IGNATIUS OF LOYOLA SCHOOL is situated at B.I.T. Chawl No. 11, Room No. 29, 30 & 34, 1<sup>st</sup> Floor, K.K. Marg, Mumbai Central, Mumbai – 8. The present premises is a residential premises which is owned by St. Anne's Church, Nesbit Road, Mazagaon, Mumbai – 400010.

Also we have 8 classrooms in municipal Marathi school building since 2000 but we require 15 more classrooms as students are increasing. Sir as soon as we got fund to fulfill our aim we will ask municipal corporation as well as Maharashtra government to give more 10 classrooms (total 15 classrooms) for our English medium school on lease for 50 years or more according to municipal rules and regulations.

The standard amount fixed for the school fees is Rs.200/- (Rupees two hundred only) per month, per student. However, inspite of this meager amount, it was found that the students belonging to the BTPL could not afford to pay the amount. It was then decided to give FREESHIPS / CONCESSIONS facilities to the students belonging to the BTPL / street childrens'.

Financial cruch and Shortage of Funds have made it somewhat difficult to pay the necessary outgoing, which cannot, in any manner, be avoided / neglected. Due to the FREESHIPS / CONCESSION facilities, it was observed that the number of students belonging to the CSWs and BTPL increased.

To implement our goal and achieve 100% success, dear Donors, Well Wishers, a building structure that can be proudly owned, possessed and occupied legally, physically and absolutely by ST. IGNATIUS OF LOYOLA SCHOOL and called "ST. IGNATIUS OF LOYOLA SCHOOL & TRUST BUILDING", additional Classrooms, Furniture's, Electrical Fitting and School Accessories and paraphernalia have to be purchased / acquired, which, I am sure, requires huge funds.
